

## Arcachon Bay - Half Day Tour

Experience the beauty of Arcachon and climb to the top of Europe's tallest sand dune, Pyla Dune (Dune du Pyla). Enjoy an oysters tasting with a view on the Bay!

Spend a morning away from Bordeaux on this half-day trip to the Bay of Arcachon. On this small-group tour, visit Pyla Dune (Dune du Pyla), the tallest sand dune in Europe, and admire the spectacular views from the top. Explore the town of Arcachon before a visit to an oyster farm for a sample of fresh oysters. Relax on a scenic beach before heading back to Bordeaux. The beautiful Bay of Arcachon is located 45 minutes from Bordeaux. Its 1500 hectares are fed by the Atlantic Ocean forming a lagoon-colored inland sea, bordered on one side by a fine sand dune culminating at 104 meters above sea level: the Dune du Pyla, the tallest sand dune in Europe. From its summit one can admire the beautiful Landes forest. The Bay of Arcachon is also home to the eponymous town where numerous well-to-do French families spend their summer holidays.
