

Copenhagen Panorama Sightseeing and Canal Tour

Join us on this tour and get the best of Copenhagen from land and sea!

The tour starts off by bus and continues by boat. We will spend a hour at Amalienborg Palace where we can enjoy the beautiful changing of the guards at noon. After this we will enjoy the many beautiful attractions in Copenhagen incl. photo stops at the Little Mermaid and the Royal Danish Opera. Proceeding your bus tour, you will board one of our canal boats for a live-guided or audio guided tour on the beautiful canals of Copenhagen and explore more of our city. The cruise goes through the picturesque canals of Christianhavn and Frederiksholm where historical buildings are to be enjoyed side by side with more modern architecture.
