

2 Days - West Coast Explorer Tour

An opportunity to experience "the best of the West" in two days taking in Limerick, Bunratty Castle, the Cliffs of Moher, Galway Bay, and Connemara.

On our first day, check in at the Dublin Heuston station (Customer Service Desk) for our 7:00 departure of InterCity train to Limerick. We join our coach here for a short tour of Limerick City and then to Bunratty Castle and Folk Park (admission included). From there, we head to the village of Doolin to visit O'Connors Pub. Next we visit the stunning Cliffs of Moher, Black Head, the Burren and Galway Bay overnighting in the heart of Galway City (3 star hotel accommodation - bed and full Irish breakfast). Our second day begins at 10:00am, as we head into magnificent Connemara where John Ford filmed "The Quiet Man" in 1951. We will take in the Kylemore Abbey (photo stop only), Roundstone, the Coral Beach and the Sky Road. We will then return to Galway for our return InterCity train to Dublin Heuston, arriving at 20.45.
