

Elaphite Islands Tour - Islands in the Sun

Explore the crystal clear seas, amazing nature and traditional Dalmatian cuisine and lifestyle in this boat excursion from Dubrovnik!

The sheer geographical position of the Elaphite islands offers guests the perfect opportunity to island hop. These untouched islands are a wonder of nature and also provide an experience of true island life, Dalmatian style. Situated to the north-west of Dubrovnik this group of islands is made up of eight islands, the majority of which are uninhabited, and with this full day excursion you will have the opportunity to visit three of them, KoloCep, Sipan and Lopud. Take a dip in the crystal clear seas, stroll in the shade of Mediterranean vegetation, explore quaint hamlets or simply indulge your taste buds with local cuisine, the choice is yours.
