

## Konavle Village and Water Mill

Discover this hidden but not lost jewel of the region of Dubrovnik! This excursion will take you to the village of Konavle, with beautiful Dalmatian nature sights on the way and visit to a historical water mill and gallery.

Discover this hidden but not lost jewel of the region of Dubrovnik. This excursion will take you to the village of Konavle and its Provencal surroundings. On the way marvel at the mountain springs and secluded hamlets. Here, you will be able to sample homemade cheese, cream or grapes. Konavle will amaze you with its beauty and friendly locals will make you most welcome. Then you will see the Mijo Sisa Galery a 400 year old water mill. Here you can feel Croatian and enjoy a welcome drink and snack of Dalmatian smoked ham and cheese, with some delicious local red and white wines - the perfect way to end this wonderful excursion!
