Isle of Arran Adventure

A three day excursion to the Isle of Arran to enjoy its countryside, cuisine, and pristine natural beauty.

As we depart Edinburgh, we travel west into Ayrshire to visit the 18th Century Culzean Castle. The castle is surrounded by Culzean Country Park (entrance fee not included) which has nearly 600 acres of stunning countryside. In the heart of Burns Country you will learn about Robert Burns, Scotland's national poet, was born in Alloway. Perhaps his most famous song is 'Auld Lang Syne', sung on New Year's Eve throughout the world. You continue to Ardrossan where you catch the ferry to the Isle of Arran. You arrive into Brodick for overnight. On day two we arrive in Arran. Known as 'Scotland in Miniature', Arran is alive with wildlife, rugged countryside, beaches, pubs, restaurants and cottage industries. There are many options of how you can spend your time on the island, depending on the weather and the groups' interest; your driver guide will arrange the best day out for you. On day three we return back to the mainland by taking the small ferry running between Lochranza and Claonaig. You travel up this beautiful, lush green peninsula along its coastal road to the charming fishing village of Tarbert. The village sits on the narrowest strip of land between the two bodies of water, forming a natural harbor, which ships avoid for having to sail round the dangerous Mull of Kintyre. From Tarbert you follow Loch Fyne towards the whitewashed town of Inveraray, with some free time to explore this lovely area. From here is a short drive to Luss and "the bonnie banks" of Loch Lomond before returning to Edinburgh.
