

3 Days - Isle of Skye, Loch Ness & Eilean Donan

Enjoy three enchanting sights during your stay in Edinburgh.

On day one, our route to Skye takes you past beautiful Stirling Castle. We'll stop in a picturesque Highland town, where you can relax over a cup of coffee or explore at your leisure. You'll visit the battlefield of Culloden (admission not included), the site of the defeat of the Jacobite forces. Next we'll stop at Loch Ness. Why not take a boat tour over to Urquhart Castle (boat tour is optional and not included) or just monster hunt from the shore? From there we end for the day, before waking up on day two to explore Loch Ness. As our road nears the coast, it passes Eilean Donan Castle (admission not included). Here you have the chance to take photographs and explore the castle that featured in the film Highlander. Then it's time to cross the bridge to Skye. We'll cross the bridge to Skye and you can take things nice and easy but still see all the sights, such as the craggy Cuillin Mountains, Portree and outstanding beautiful Trotternish Peninsula. What Skye memories will you bring back? Maybe you'll spy an inquisitive seal peeking out of the waves as you walk the coast, or a stag silhouetted on a hillside. On day three, we will visit Fort William and Britain's tallest mountain Ben Nevis. Enjoy a wee dram at a local distillery (admission is not included) or explore Fort William, outdoors capital of Scotland, and take in the views of Ben Nevis, the UK's tallest mountain. Cross the brooding expanse of Rannoch Moor and through Glen Coe. Learn the brutal story of the MacDonald Clan massacre and take in the weeping waterfalls that inhabit this incredible glen before returning home.
