

Connemara and Cong Tour

Discover a part of hidden Ireland with a morning visit to the village of Cong before entering into Ireland's wilderness, the stunning Connemara region.

In order to experience a part of hidden Ireland this tour is a must with a first stop at Ross Errily Friary - a hidden but atmospheric 14th century monastery. We then head to Cong Village for a guided walking tour through Cong Woods to see Ashford Castle. Entering Connemara on the Lough Nafoeey route allows you to see the stark beauty of the hidden valley of Connemara before arriving at the Atlantic Ocean. The tour then continues to Kylemore Abbey and back home via the Inagh Valley. At the departure point, please locate the coach displaying "Galway Tour Company" signboard.
