

Granada City Tour Train Hop On Hop Off

The best way of getting to know the city's most fascinating sights with the Hop On Hop Off option.

The essence of Granada City Tour can be defined like: High quality transport service that connects Alhambra monument, Albaicin district, commercial city centre and Realejo district. Everything with 4 unique and exclusive trains made specifically for Granada which passes at a frequency about 15, 20 minutes. There are two different routes, both of which will take you to Granada's most important locations: the Alhambra Route and the City Centre Route. Enjoy our hop on - hop off option, which allows you to get on and off as often as you like at any of our stops, all of which are located at important points of interest. Using our audio system, provided in 12 languages (Spanish, English, French, German, Italian, Portuguese, Chinese, Korean, Japanese, Russian, Arabic and Catalan), you can choose your language and follow the audio comfortably throughout our tour. It also features two special channels, in Spanish or English, for kids.
