

Canyoning Interlaken

Enjoy the spectacular nature of the Swiss Alps in a completely different way. Participate in canyoning Interlaken which is a great introduction for everyone into this very special kind of water sports.

Only a 10 minute drive from Outdoor Interlaken Base you are able to do a 3.5 hour canyoning tour. This tour is perfect for those with a short time window. You will spend around 1-1.5 hours in the canyon. Since this is one of our easier tours it is suitable for anyone who wants a taste of canyoning. The highest jump is 5 meters with the option to skip if you do not feel comfortable with it. There is an alternative for almost every element such as climbing around or taking an easier jump option. Some basic swimming skills are an advantage but not required. The tour is accompanied by 2 experienced guides and runs with a maximum of 13 participants per group.
