

Berne - Swiss Capital Small Group Tour

Enjoy this trip to Berne the capital of Switzerland with stops at Emmentaler cheese production and at Kambly biscuit factory.

Board our comfortable minibus for this exclusive small group tour on scenic routes and through stunning landscapes to Berne, the Swiss capital. Discover the rural highlights of Entlebuch valley - Switzerland's first Unesco Biosphere. Crossing the border to the idyllic Emmental valley you reach Trubschachen. At the Kambly Experience you experience the origins of Switzerland's best-known premium biscuit brand, discover the art of fine biscuit making and watch the master confectioners at work. Indulge in unique flavors and try as many biscuits of the tantalizing variety you like! After this sweet rest continue through the typical Bernese back country towards the Swiss capital Berne. Time to burn some calories on an informative walk through the charming Old Town, designated UNESCO world cultural heritage. We then have some time for leisure at lunch (not included) and some souvenir shopping. In the afternoon we continue our way through fascinating rural landscape with their rich heritage. The impressively vast roofs shelter prosperous Emmental farmhouses and the red of the geraniums in their windows is probably more intense than anywhere else in the world! See grazing cows on green hills producing best milk, the principal ingredient for the world famous Emmental Cheese. And this means our next stop, the show dairy. Right on time for the highlight of the day, when the fresh cheese is taken out of the pot by hand. Watch through the big windows directly in the production hall and learn about the traditional production of an Emmentaler AOP - the biggest cheese in the world! Before leaving this charming place you will be invited to a cheese tasting. Drive back to Lucerne.
