

Full Day Tour – Provence

This full day tour takes us to some of the most scenic spots in Provence - Antibes, Cannes, Grasse, Gourdon, Tourettes sur Loup and St Paul de Vence.

After leaving Nice, our first stop will be at Antibes, where we visit the old town and drive through the famous 'Cap d'Antibes', one of the most exclusive areas on the Cote d'Azur. Then it's on to Cannes, home to the famous film festival, where we see the 'Croisette' and feel the 'Hollywood atmosphere'. From here, we continue to Grasse, a typical old town, famous for perfume manufacture. We will visit one of the perfume factories here and there will be time for lunch (not included). Upon leaving Grasse, we drive to Gourdon, one of the most amazing medieval villages of the Riviera, with its beautiful castle and unique landscape. Our next stop will be at Tourettes sur Loup, the 'Village of Violets', with its picture-postcard scenery. Our final visit is to artistic St Paul de Vence, the jewel of Provence and home to many painters and actors. We aim to arrive back in Nice at around 17.30.
