

## Half Day Tour to Antibes, Cannes and Grasse

See the cosmopolitan town of Cannes, famous for its International Film Festival, the beautiful town of Antibes and enjoy a visit to a famous perfume factory in Grasse.

This tour departs from your hotel in Nice and our first stop is in the beautiful town of Antibes before we continue along the coastal road to Cannes. Our tour of Cannes will include the famous Croisette and the Palace of Film where the International Film Festival is held. The 'Croisette' is fringed by fine sandy beaches, much of them taken over as private beaches by the large hotels, and it is there that the prestigious receptions and parties take place during the Cannes Festival. The tour finishes with a visit of a perfume factory in Grasse, home of perfume making.
