Enter the building for a guided tour. Board the Batobus river shuttle which will bring you back near our office. You will have about 30 minutes free to have lunch in the neighborhood. Be back at our office at 1.30 p.m. for the afternoon excursion. We then depart to Montmartre where you can take the cable car up to the top of the hill. Your guide will tell you a bit about the neighborhood, and give you some free time to wander about and discover the area on your own. Don't miss a visit to the Sacre-Coeur Basilica in Montmartre, with its Roman and Byzantine features. The guide will meet you again to take the cable car down the slope and take a bus to the Louvre Museum. On a guided tour of about 1 hour you will see the main artworks of the Louvre: the Venus of Milo statue, the impressive painting of The Wedding at Cana by Paul Veronese and Leonardo da Vinci's famous Mona Lisa which is the most visited work in the Museum. The tour ends at the Louvre Museum at around 6:15 p.m. (except on a Monday, when it starts at the Louvre Museum and ends at Montmartre, in which case you will return to our office by bus).
