

## The Vatican, the Colosseum and the Roman Forum

Enjoy the highlights the Eternal city: Vatican Museums, Saint Peter's, Sistine Chapel and the Ancient Rome, Colosseum, Roman Forum and Palatine Hill.

This full day is a combination of two tours that will allow you to save around 10%. The Vatican is one of the most interesting and breathtakingly beautiful sites in the world, but it can be a bit overwhelming to the average visitor. The guide will take you to some of its major attractions, as well as to some lesser known spots, and give you a broad base for understanding the history, architecture, and politics of the Vatican. Second part of the tour starts at 14:00 outside the Colosseum underground (Line B) behind the green newsstand. Your guide will not only educate you on the history, politics, and architecture of the Eternal City, but will also make the life and times of ancient Rome come to life on a stage second-to-none in the world. Experience the life of gladiators, emperors, slaves, Vestal Virgins, senators, merchants, gods and goddesses your own.
