

Rome in One day Segway Tour

Combine our two most popular tours: Best of Rome by Segway and Ancient Rome Segway Tour for our very best value, saving 10 euros off the combined price!

Rome is brimming with incredible sights to see and they can seem like too many! Now, with our Rome in One Day Segway Tour, you do not have to miss out. With this combination of our two most popular tours, the Ancient Segway Tour and Best of Rome Segway Tour, you will be able to see it all and then some! Sights covered include well known spots such as the Trevi Fountain, Colosseum, Spanish Steps and Piazza Navona. On the Ancient Rome Tour, You will glide past crumbling ruins, columns, ancient temples and roads. You will see all that remains of the chariot racetrack that once stood at Circo Massimo, at the foot of the Palatine hill. With the speed and ease of getting around by Segway, we will have plenty of time to cover lesser-known sights such as the Knights of Malta keyhole. On the Best of Rome part of the tour we will zig-zag across the entirety of Rome's beautiful historic center, exploring the piazzas, fountains, churches and monuments that make Rome one of the most beautiful cities in the world! You'll toss a coin (or three!) in the famous Trevi Fountain, guaranteeing your return to Rome. You will stand at the foot of the regal Spanish Steps, Europe widest staircase. You will roll around Piazza Navona and enjoy the street artists, lively crowds and Bernini masterpiece: the Fountain of the Four Rivers. Other highlights include Saint Ignatius church, Teatro Marcello and Campo de' Fiori. Between the morning and afternoon tours, you will enjoy your lunch!
