

Volcano, Hot Springs, Thirassia and Oia with Sunset

Enjoy the beauty of Santorini, with a visit to the Volcano and Hot Springs and marvel at the wonderful images created at sunset.

Depart from your pick up point to Athinios Port, where you will embark the caique with your guide and sail to the Volcano. Explore this natural landmark and for those feeling energetic there is the possibility of walking up the volcano face with your guide (entrance fee not included). The caique then sails to the Hot Springs and stops (but does not dock), giving you the chance to dive into the sea and swim to the warm waters of the Hot Springs. You then sail to the Island of Thirassia, where you will dock and have the opportunity to visit the island, shop around or have lunch (not included). We then depart for the Port of Armeni, where you disembark and walk up the steps to Oia town to watch the sunset. After the sunset, you will walk to the pre-arranged parking area where you will meet your coach for your return journey.
