

Full Day Amalfi Coast Drive

The Amalfi Coast offers breathtaking panoramic views at every town. Each spot is as fantastic as the last and will inspire your imagination and create unforgettable memories.

The Amalfi drive is said to be the most spectacular drive in Europe. The winding cliff top road offers breathtaking panoramic views at every town. Each spot is as fantastic as the last and will inspire the imagination and create unforgettable memories. Amalfi, which was once a thriving Marine Republic, powerful and prosperous, is now an amazing holiday resort. The unmistakable cluster of white, tightly packed houses rising up the hillside is dominated by the beautiful cathedral which stands majestically on top of a great flight of stairs leading up from the main square. Housed in the Cathedral are the remains of the patron saint of Amalfi and also of Scotland, St. Andrew. From Amalfi we travel to the picturesque town of Ravello 1.100 feet above the sea level. There we visit the exclusive Villa Rufolo which inspired Richard Wagner to create some of his most famous works.
