

Castle Tour of North Sealand

This tour to the north of Denmark will show you splendid Frederiksborg and Kronborg Castle.

Take a sightseeing tour to the spectacular castles north of Copenhagen. We leave Copenhagen and travel up the Riviera road to Helsingor. As we travel along we have a beautiful view of the Oresund Strait with the Swedish coast beyond. Frederiksborg Castle is situated in the centre of Hillerod on three islets in the Castle Lake and surrounded by Frederiksborg Castle Gardens. The Castle Gardens include an English style romantic garden and a more formal French baroque garden, recreated in 1996, to replicate J.C. Krieger's gardens from 1725.
