

## Excursion to Noto, Tellaro and Marzamemi

A great opportunity to visit the historic centre of Noto, Unesco World Heritage, the spectacular mosaics at Casa del Tellaro and to enjoy the beautiful beach of Marzamemi.

A spectacular full day tour giving the opportunity to visit two authentic Sicilian wonders. First, the historic center of Noto; and then on to Unesco World Heritage, with its baroque monuments and the beautiful mosaics in the famous Roman Villa of Tellaro. We then have some free time in Marzamemi, which will give you time to unwind and relax on the beach. We then leave Marzamemi and return to Taormina.
