

Absolute Venice: Walking Tour with Skip the Line Doge's Palace and St. Mark's

Discover the most representative places in the city with the Venice Walking Tour, the Doge's Palace Tour and the Golden Basilica Tour.

Have a walk outdoors through the most characteristic and important places of Venice: Piazza San Marco, Palazzo Ducale, Bell Tower, Clock Tower, Santa Maria Formosa with history and anecdotes related to its characteristic square. We will visit the massive Palazzo Ducale and you will be surprised of the rich details of gold staircase and you will relive the anguish of prisoners crossing the famous Bridge of Sighs and entering the Venetian prisons. We will continue visiting the most majestic Cathedral of the world: Saint Mark's. You will have the pleasure to savor beautiful gold mosaics and marble inlays of the floors and admire the Pala d'Oro, exquisite example of byzantine art with its thousands of gems and precious stones.
