

## Belvedere Palace Combination ticket

Enjoy your visit at the beautiful Belvedere Palace, which is one of the most important cultural highlights in Vienna and offers you a variety of culturally interesting sights.

Take the chance and visit the Belvedere Palace, the palace at the heart of Vienna and which was the baroque summer residence of the renowned general and art connoisseur Prince Eugene. In the Upper Belvedere you find the world's largest Klimt collection with the famous golden pictures "The Kiss" and "Judith" which is a "must" for Klimt fans. In this magnificent palace you can stroll past Austrian art from the Middle Ages to Gustav Klimt and Egon Schiele. And from the Marble Hall there is an unforgettable view across the Baroque palace gardens to St. Stephen's Cathedral. At Prince Eugene's Lower Belvedere and Orangery, the museum stages superb temporary exhibitions with artworks from all over the world. Here you can also discover Prince Eugene's staterooms, the Hall of Grotesques and the sumptuous Golden Room, the Palace Stables and the Privy Garden.
